Búsquedas bibliográficas

PubMed: <https://pubmed.ncbi.nlm.nih.gov/>

A screenshot of the PubMed.gov website homepage. The page has a dark blue background with a network diagram of nodes and lines. At the top left, it says "NIH National Library of Medicine National Center for Biotechnology Information". To the right is a "Log in" button. The main heading is "PubMed.gov". Below it is a search bar with a green "Search" button. Under the search bar, it says "Advanced". A paragraph below reads: "PubMed® comprises more than 35 million citations for biomedical literature from MEDLINE, life science journals, and online books. Citations may include links to full text content from PubMed Central and publisher web sites." At the bottom, there are four columns of links with icons: "Learn" (lightbulb icon) with links "About PubMed", "FAQs & User Guide", and "Finding Full Text"; "Find" (magnifying glass icon) with links "Advanced Search", "Clinical Queries", and "Single Citation Matcher"; "Download" (download arrow icon) with links "E-utilities API", "FTP", and "Batch Citation Matcher"; and "Explore" (globe icon) with links "MeSH Database" and "Journals".

Búsquedas bibliográficas

PubMed: <https://pubmed.ncbi.nlm.nih.gov/>

1º - Búsqueda por lenguaje libre OPERADORES BOOLEANOS /TRUNCAMIENTO

- ❑ Los **operadores booleanos** localizan registros que contienen los términos de búsqueda en uno de los campos especificados o en el conjunto de los campos especificados.
- ❑ Los operadores conectan palabras de búsqueda para estrechar, ampliar o dirigir los resultados.

OPERADOR		DESCRIPCIÓN	EJEMPLO
AND	Intersección	Reduce y especifica la búsqueda.	 Neutropenia AND hipertensión
OR	Disyunción	Amplia la búsqueda.	 Neutropenia OR hipertensión
NOT	Exclusión	Dirige la búsqueda.	 Neutropenia NOT hipertensión

- ❑ * **Truncamiento** permite encontrar todas las formas de una palabra.
Ejemplo: pregnan* (pregnancy, pregnant, pregnant)

The screenshot shows the PubMed Advanced Search Builder interface. At the top left, it says "PubMed Advanced Search Builder" and at the top right, the PubMed logo and "User Guide" link are visible. Below the title, there is a section "Add terms to the query box" containing a dropdown menu set to "All fields", a text input field with the placeholder "Enter a search term", and a blue "ADD" button with a dropdown arrow. A context menu is open over the "ADD" button, showing options: "Add with AND", "Add with OR", and "Add with NOT". To the right of the "ADD" button is a "Change the flow" link. Below this is a "Query box" with a large text area containing the placeholder "Enter / edit your search query here". At the bottom, there is a section "History and Search Details" with the text "Your history is currently empty! As you use PubMed your recent searches will appear here."
